**CAUSE NO. 42830**

You are hereby notified that on this date the Presiding Officer in this Cause makes the following Entry:

On April 15, 2005, Kosciusko Rural Electric Membership Corporation and Northeastern Rural Electric Membership Corporation (collectively "Joint Petitioners") filed with the Indiana Utility Regulatory Commission ("Commission") a Joint Petition to modify their electric service area boundaries.

The Joint Petition states that attached Exhibit "2" consists, among other things, of a letter agreement. However, the Joint Petition filed with the Commission does not have a letter agreement attached thereto. In addition, the Joint Petition states that Exhibit "3" is a copy of the statutorily required newspaper notice. However, neither a copy of a newspaper notice nor an Exhibit "3" is attached to the Joint Petition that was filed with the Commission.

Joint Petitioners should amend their Joint Petition such that statements in the Joint Petition conform to the exhibits attached thereto. Joint Petitioners should also file with the Commission, once it is available, a copy of the newspaper's Proof of Publication of the notice required in I.C. 8-1-2.3-6(2).

**IT IS SO ORDERED.**
